2019 Peacock Lane Holiday Lights Displays

Everything You Need to Know to Enjoy Your Visit to Peacock Lane

Portland, OR, November 18, 2019: The holiday season is approaching, and residents of Southeast Portland's Historic Peacock Lane are once again planning their legendary light displays. One of Portland's most beloved holiday traditions, Peacock Lane residents have been decking out their homes for decades.

As always, Peacock Lane does not charge an admission fee to view the lights, and asks that groups and individuals help to keep the event commercial-free by not passing flyers or soliciting visitors for sales or donations.

2019 Schedule

Lights on December 15th-31st from 6 to 11 PM

PEDESTRIANS ONLY NIGHTS are December 15th, 16th, and 17th (Sunday, Monday and Tuesday)

In the event of additional, unplanned closures due to large crowds, updates will be posted to Twitter, FaceBook, and peacocklane.org pages. Those who must see the lights from a car are encouraged to check online before visiting.

Free Cocoa and Cider

The Cocoa Booth is open December 15th-24th, 6 PM until sold out, generally around 8pm.

Cocoa and cider are provided free of charge, but donations of cash and canned goods are accepted at the cocoa booth when open. This year a portion of cocoa booth proceeds will be donated locally to Morrison Child and Family Services – SAGE (<https://morrisonkids.org/programs/residential/sage-youth-residential-program/>)

Transportation and Parking

Traffic can become quite heavy in the area during the lights season. Visitors to Peacock Lane are encouraged to view the lights by foot, if possible, for the best experience. Utilize free street parking several blocks away or public transportation (TriMet buses 15, 75, and 20 have stops within a few blocks; <http://trimet.org/go/cgi-bin/plantrip.cgi>). Please be respectful of our neighbors when parking in the area. Note: Do Not park in Walgreens lot; they maintain their lot for their customers only.
